Company listing in the exhibitor directory under the letter

1

Exhibitor directory and product guide – compulsory listing

Every exhibitor and every sharing exhibitor undertakes to list its company address in the exhibitor directory and pay the applicable rate. Listing costs: flat rate of **€ 235,- net** (irrespective of stand size).

Included in the price: listing in the exhibitor directory, under the trade section headings and **5** entries in the product guide (selected from the list of suggestions), in the floor plan and exhibitor list on the internet, also with a link to the exhibitor's website

Every additional search term checked shall be charged at **€ 8,- net**. If you wish to be featured under search terms in the product guide that are not included in our suggestions, please add new ones to the end of the list on the following page. Should the exhibitor not reply in writing by the deadline indicated, selection of the product search terms or, in case of doubt, omission from the listing in the product guide shall be at the organiser's discretion.

2

Trade section headings (please check the relevant box(es))

- TIMBER CONSTRUCTION SYSTEMS and TIMBER PRODUCTS
 SAWMILL TECHNOLOGY and TIMBER PROCESSING
 FORESTRY MANAGEMENT and FOREST ENGINEERING

- TRANSPORT and TIMBER LOGISTICS
 JOINERY EQUIPMENT
 BIOENERGY and ENVIRONMENTAL TECHNOLOGY
 LOBBY/R & D/APPRENTICESHIP

3

Exhibitor directory – additions to entries in the fair catalogue (line rate € 8,- net)

a) Agents for companies to be listed in the exhibitor directory (branches/local offices):

Company/Country/City	Address	Telephone

b) Companies and brands represented:

4

Company logo – featured in fair catalogue

- in exhibitor directory, 4c € 70,-
 in exhibitor directory and brand article list, 4c € 95,-

- in brand article list, 4c € 70,-
 in floor plans, 4c, approx. 10 x 20 mm € 160,-

5

Advertisements in the fair catalogue (in exhibitor directory) (4c, coloured)

- Full page, 4c, 120 x 210 mm, bled off € 545,-
 Half page, 4c, 120 x 100 mm, bled off € 345,-

Covers

- Inside front cover, 4c, 120 x 210 mm, bled off € 995,-
 Inside back cover, 4c, 120 x 210 mm, bled off € 995,-

I agree to the use of the personal details provided by me – i.e. name, address, phone and fax number, e-mail address, internet address – by Kärntner Messen for the purpose of managing this event. This consent may be revoked at any time by e-mail notification.to.office@kaerntnermessen.at.

(All prices subject to 5 % advertising tax and 20 % VAT.)

Deadline for registration: 7. August 2020

Product guide – Suggestions

- A**
- Accident prevention
 - Arts and crafts
 - Assembly tables

- B**
- Band resaws
 - Band saw blades
 - Band saws
 - Banding machines
 - Bark choppers
 - Bark incinerators
 - Barking machines
 - Biomass incinerators
 - Board sorters
 - Boilers
 - Bonding machines
 - Briquette presses
 - Building joinery work
 - Bundling stations

- C**
- Cable winches
 - Cantilever racking
 - Carcass presses
 - Chain saws
 - Charging machines
 - Chip conveyors
 - Chip silos
 - Chippers
 - Chipping blades
 - Chipping machines
 - Circular saw blades
 - Circular saws
 - Circular saws for construction timber
 - CNC machines
 - Cogeneration
 - Colleges/universities of technology
 - Coloured markers
 - Combined chippers/circular saws
 - Combined machines
 - Communication technology
 - Computer hardware and software
 - Condensation dryers
 - Condensation technology
 - Construction machines
 - Consultancy
 - Container plants
 - Container systems
 - Contracting
 - Control engineering
 - Conveyor belts and systems
 - Cranes
 - Cross cutters and saws
 - Cutting tools

- D**
- Data acquisition systems and software
 - Deer deterrents
 - Dip impregnation systems
 - Disposal systems
 - Dovetail jointers
 - Drills
 - Drive engineering
 - Drum choppers
 - Dust extractors

- E**
- Edge banding machines
 - Electric tools
 - Energy advisory service
 - Energy generation
 - Extraction systems

- F**
- Fasteners
 - Financial services
 - Firewood splitters
 - Forest road repairs
 - Forest skyline cranes
 - Forest track building machines
 - Forestry chains
 - Forestry cranes
 - Forestry data acquisition
 - Forestry equipment
 - Forestry haulers
 - Forestry machinery
 - Forestry plants
 - Forestry supplies
 - Forestry tools
 - Forestry tractors
 - Forestry training
 - Forestry tyres
 - Forestry winches
 - Fork lifts
 - Forwarding agents
 - Four-blade circular saws
 - Four-edge planers
 - Frame saw blades and accessories
 - Frame saw sharpeners
 - Frame saws
 - Full harvesters
 - Furnaces

- G**
- Glue spreading machines
 - Gluing methods/adhesives
 - Glulam manufacture
 - Glulam products
 - Glulam timber
 - Graders
 - Grinding machines

- H**
- Hand tools
 - Harvesters
 - Hydroelectric plants

- I**
- Impregnating machines
 - Industrial safety
 - Information and consultancy
 - Instruments
 - Insulating materials

- J**
- Joinery equipment
 - Joinery machines
 - Joinery programs
 - Joinery supplies

- L**
- Land cranes
 - Laser aligning machines
 - Laser alignment systems
 - Lathe work
 - Lifting gear
 - Lifting platforms
 - Lobbies
 - Log band saws
 - Log cabins
 - Logging cranes
 - Logging trailers
 - Logistics

- M**
- Machining centres
 - Marking inks
 - Mechanisation
 - Metal detectors
 - Milling cutters and tools
 - Mobile cranes
 - Mobile production tables
 - Mobile saws
 - Mobile yarders
 - Mortising machines
 - Moulding cutters
 - Moulding machines

- N**
- Noise control equipment

- O**
- Occupational health & safety

- P**
- Paint sprayers
 - Palletisers
 - Parquet flooring machines
 - Pelleting machines
 - Pest management
 - Plane heads
 - Plane knives and shafts
 - Planed products
 - Planers
 - Plank trusses
 - Pneumatic tools
 - Port services
 - Portable machines
 - Power saws
 - Prefabricated houses
 - Presses
 - Processors
 - Protective clothing
 - Protective forestry clothing

- R**
- Racking systems
 - Rail vehicles
 - Reafforestation
 - Recycling machinery
 - Resaws
 - Research and training
 - Residual wood choppers
 - Residual wood disposal
 - Roofing materials
 - Root reducing systems
 - Rope pulleys
 - Round wood cutters
 - Round wood grading
 - Round wood measuring
 - Round wood processing

- S**
- Safety equipment
 - Sarking
 - Sawmill equipment
 - Sawmill machinery
 - Sawn timber
 - Sawn timber dryers
 - Saws and splitters
 - Scanning instruments
 - Scraper conveyors
 - Screw conveyors
 - Screws
 - Sealing and insulating materials
 - Semi-trailers
 - Services
 - Sharpening machines
 - Shredders
 - Side-loading fork lifts
 - Silo deliveries

- Size-reduction machines
- Slitting saws
- Solar heating systems
- Sorting machines and systems
- Splitters
- Stacking machines
- Staircases
- Stellite tipping machines
- Storage equipment and technology
- Strength grading
- Structural timber
- Surface finishing

- T**
- Telescopic stackers
 - Tensioning straps
 - Testers
 - Thermal insulation
 - Timber construction systems
 - Timber handling machinery
 - Timber harvesting machines
 - Timber houses
 - Timber moisture meters
 - Timber products
 - Timber structures
 - Timber trade
 - Tools
 - Tractors
 - Trade publications
 - Trailers
 - Training
 - Transport by sea
 - Transport packaging
 - Transport vehicles
 - Tree protection
 - Trimming machines
 - Trolleys
 - Truck transport

- U**
- Upsetting machines

- V**
- Vacuum dryers
 - Vacuum lifting devices and systems
 - Vertical frame saws

- W**
- Waste crushing
 - Wheel loaders
 - Window manufacturing facilities
 - Wood advertising
 - Wood advisory service
 - Wood chip heating systems
 - Wood crafts
 - Wood dryers
 - Wood furnaces
 - Wood joining systems
 - Wood materials
 - Wood products
 - Wood size reduction equipment
 - Wood splitters
 - Wood trailer
 - Wood transport
 - Wood turning tools
 - Wood working machines
 - Wood working tools
 - Wooden toys
 - Work shoes
