HOLZ&BAU**

**Structural engineering with
timber & timber products**

TREFFPUNKT JAGD

The ideal meeting place for exhibitors and hunters.

Your sales platform for the forestry and timber industry

With more than **20,000 visitors from the trade** on four days, the "International Wood Fair Klagenfurt" is the **leading trade exhibition** for the **forestry and timber industry**. Meet customers and decision-makers from Central and Southeast Europe.

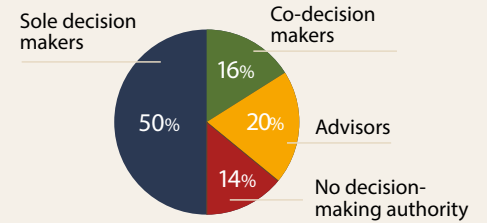

"Klagenfurt International Wood Fair" and the parallel event "Holz&bau" presents an unrivalled and comprehensive **overview of the entire value-generation chain** with **more than 500 exhibitors** from the forestry, sawmill and timber industry, timber construction, timber logistics and energy. International side events provide an insight into the future and offer a great value added bonus for the **trade visitors from Austria and abroad**.

"Be part of it when the industry from Central and Southeast Europe gets together!"

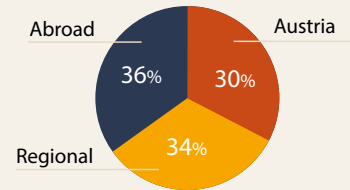

WOOD FAIR for decision makers

Decision-makers account for the largest share of visitors at the International Wood Fair, which means the trade show is a sales tool without coverage waste.

THE INTERNATIONAL WOOD FAIR

The international wood fair lives up to its name. 36% of the specialist visitors come from abroad.

HALL 3

TREFFPUNKT JAGD

The ideal meeting place and exhibition mix for exhibitors and hunters in a pleasant and sociable atmosphere.

EXHIBITION SECTORS

: Weapons : Apparel : Animal feed : Hunting accessories : Hunting associations

Bridging visions and reality, innovative suppliers, start-up companies, makers and research institutes present their innovative services and products here at International Wood Fair centre of the International Timber Fair and HOLZ&BAU and provide an insight into the world of innovation.

Timber-related innovation

Bicycles, pools and nails made from wood; forest monitoring by means of drones; the use of robots; innovative joining elements for timber structures – there are plenty of innovative ideas that revolve around wood!

LIVE presentations

Experience innovation live, see the latest trends for yourselves and explore the future of the trade!

EXHIBITION SECTORS

: Forest stand and woodland management : Construction and maintenance of forest roads : Forestry service providers : Forester tools, occupational safety, accident prevention : Timber harvesting techniques : Wood measuring and IT : Research, teaching, consulting, training : Forestry associations, hunting

VISITOR TARGET GROUPS

: Forest managers : Woodland owners and tree farmers : Forest operators : Road operators, timber transporters : Firewood traders : Teaching and training (employees in Forestry training centres) : Civil servants (national and regional authorities) : forestry students

OUR PARTNERS – JOINTLY ACHIEVING SUCCESS ON THE MARKET

: Austrian Federal Ministry of Agriculture and Forestry, Environment and Water Management : Austrian Chamber of Agriculture : Carinthian Chamber of Agriculture and Forestry : Styrian Chamber of Agriculture and Forestry : Austrian Economic Chamber : Vienna University of Natural Resources and Life Sciences : Ossiach Forest Training Institute

Side Programme

: Klagenfurt Forestry and Timber Impetus (with simultaneous translation into English/German/Serbian/Croatian/Slovene)
: Foresters' Day : International Mobile Chopping Path

SAWMILL TECHNOLOGY

EXHIBITION SECTORS

: Sawmill technology : Cutting systems : Mechanical systems for the lumber yards : Debarking systems : Plant surveying : Timber drying technology : Planing-finger jointing-glueing-pressing : Loading, hoisting and handling systems : Tools, tool maintenance and accessory equipment : Mobile sawing equipment : IT-supported optimisation : Trade organisations, training : Research & Development

VISITOR TARGET GROUPS

: Large sawmills (owners, managers and skilled staff) : Medium and small-sized sawmills (owners, managers) : Timber trade, trading agents/wood purchasers, wood hauliers : Processors of soft and hard wood, producers of glued laminated timber : System and full line suppliers

POWERFUL PARTNERS – TO ATTRACT MANY VISITORS

: European Organisation of Sawmill Associations : Trade Association of the Austrian Timber Industry – professional group of the sawmill industry : Federal body of the timber and building material trade : Federation of the Slovenian wood industry : proHolz Austria

Side Programme

: International Timber Day (with simultaneous translation into Italian/English/German)
: Sawing Conference

BIO-ENERGY

EXHIBITION SECTORS

: Energy carriers : Small power stations : Screening and shredding technology : Combustion and environmental engineering

VISITOR TARGET GROUPS

: Wood-processing operations : Firewood traders : Foresters : Contractors

OUR PARTNERS – JOINTLY ACHIEVING SUCCESS ON THE MARKET

: Austrian Chamber of Agriculture : proPellets Austria : Austrian Biomass Association

TRANSPORT & LOGISTICS

EXHIBITION SECTORS

: Vehicle and trailer construction : Tractor units : Forklift and other handling equipment : Storage technology : IT networks : Service providers for: road, rail, ship transport

VISITOR TARGET GROUPS

: Timber trade : Timber industry : Carriers : Hauliers : Wood service providers

STRUCTURAL ENGINEERING WITH TIMBER & TIMBER PRODUCTS

EXHIBITION SECTORS

: Timber construction systems, innovative assembly and joining techniques : Wood machining, trimming, hand-held tools : Wood products, timber materials, supply components : Insulating, sealing, sound proofing systems - solutions and components : Dry walling & building services : Computer-aided organisation and management techniques : Timber architecture & timber associations : Training, research, teaching : Safety at the workplace, fire and accident prevention : Consulting, financing and insurance services

VISITOR TARGET GROUPS

: Master carpenters : Carpenters, prefab house producers, carpentry experts : Architects, planners, structural engineers, building promoters: Timber industry, wood working, dry wallers, fitters : Timber trade, wood markets, DIY and building supply stores : Joiners : Roofers

POWERFUL PARTNERS – TO ATTRACT MANY VISITORS

: Federal Association of Austrian Master Carpenters : Trade Association of the Austrian Timber Industry : Federal body of the timber and building material trade : proHolz Austria : Carinthian Timber Work Association : Carinthian Joiners Association : Napoleonstadl - Carinthia's Centre of Architectural Design : Trade associations from Slovenia and Italy

Side Programme

: 4th Timber Structure Symposium Klagenfurt : International Day of the Wood : "Meeting of Forest Managers - Innovation Impetus 'Forst & Technik'" : European Carpenters Competition

JOINERY SUPPLIES & EQUIPMENT

EXHIBITION AREAS

: Tools : Machinery : Safety at the workplace and work apparel : Timber materials

HARVESTER & FORWARDER COMPETITION

The **Ossiach Forest Training Institute** and the **Austrian Association of Forest Entrepreneurs** organised a special forwarder and harvester competition in 2018. Many contestants put their skills to the test and proved their expertise. **The Forwarder / Harvester Contest is a fixed item on the agenda of the industry** and will also be organised in **2020**.
