to
Saturday**

THE LEADING TRADE SHOW FOR THE TIMBER AND FOREST INDUSTRY

SALES PLATFORM FOR THE TIMBER & FOREST INDUSTRY

WITH MORE THAN 20,000 VISITORS FROM
THE TRADE ON FOUR DAYS, THE
"INTERNATIONAL WOOD FAIR KLAGENFURT"
IS THE LEADING TRADE EXHIBITION FOR
THE TIMBER AND FOREST INDUSTRY.

Together with "Holz&bau", the "Klagenfurt International Wood Fair" presents a unique cross-section of the entire value chain that is represented by more than 500 exhibitors from the forestry, sawmill and timber industries, timber construction, timber logistics and energy.

International side events provide an insight into the future and offer a great value added bonus for the trade visitors from Austria and abroad.

Meet customers and decision-makers
from Central and Eastern Europe.

WOOD FAIR for decision- maker

WHERE THE INTERNATIONAL INDUSTRY MEETS

BENEFITS

- + Customised exhibition stands from the Basic Package to the Carefree Package Deal for the exhibition section of your choice
- + Additional optional marketing packages for more visibility
- + Professional support from our expert exhibition team
- + A good mix of inspiring lectures, interesting presentations, demonstrations and technical exchange to reach out to even more visitors from your target group
- + Sophisticated online and offline marketing in our target markets

Bridging visions and reality, innovative suppliers, start-up companies, makers and research institutes present their innovative services and products here at the centre of the International Wood Fair and HOLZ&BAU and provide an insight into the world of innovation.

Bicycles, pools and nails made from wood; forest monitoring by means of drones; the use of robots; innovative joining elements for timber structures – there are plenty of innovative ideas that revolve around wood!

LIVE-PRESENTATIONS

Experience innovation live, see the latest trends for yourselves and explore the future of the trade!

BIO-ENERGY

EXHIBITION SECTORS

- › Energy carriers
- › Small-sized power stations
- › Screening and shredding technology
- › Combustion and environmental engineering

VISITOR TARGET GROUPS

- › Wood-processing operations
- › Firewood traders
- › Foresters
- › Contractors

OUR PARTNERS – JOINTLY ACHIEVING SUCCESS ON THE MARKET

- › Austrian Chamber of Agriculture
- › proPellets Austria
- › Austrian Biomass Association

TRANSPORTATION & LOGISTICS

EXHIBITION SECTORS

- › Vehicle and trailer construction
- › Tractor units
- › Forklift and other handling equipment
- › Storage technology
- › IT networks
- › Service providers for road, rail and sea transport

VISITOR TARGET GROUPS

- › Timber trade
- › Timber industry
- › Hauliers
- › Forwarders
- › Wood service providers

SAWMILL TECHNOLOGY

EXHIBITION SECTORS

- › Sawmill technology
- › Cutting systems
- › Mechanical systems for the lumber yard
- › Debarking systems
- › Plant surveying
- › Timber drying technology
- › Planing-finger jointing-glueing-pressing
- › Loading, hoisting and handling systems
- › Tools, tool maintenance and accessory equipment
- › Mobile sawing equipment
- › IT-supported optimisation
- › Trade organisations, training
- › Research & Development

VISITOR TARGET GROUPS

- › Large sawmills (*owners, managers and skilled staff*)
- › Medium-sized and small sawmills (*owners, managers*)
- › Timber trade, trading agents / wood purchasers, wood hauliers
- › Processors of soft and hard wood, producers of glued laminated timber
- › System and full line suppliers

SIDE PROGRAMME

- › International Timber Day (*with simultaneous translation into Italian/English/German*)
- › Sawing Conference
- › Get-Together of the Timber Industry

POWERFUL PARTNERS – TO ATTRACT MANY VISITORS

- › European Organisation of Sawmill Associations
- › Trade Association of the Austrian Timber Industry – professional group of the sawmill industry
- › Federal body of the timber and building material trade
- › Trade Association of the Slovene Timber Industry
- › proHolz Austria

FORESTRY

EXHIBITION SECTORS

- › Forest stand and woodland management
- › Construction and maintenance of forest roads
- › Forestry service providers
- › Forester tools, occupational safety, accident prevention
- › Wood harvesting techniques
- › Wood measuring and IT
- › Research, teaching, consulting, training
- › Forestry associations, hunting

VISITOR TARGET GROUPS

- › Forest managers
- › Woodland owners and tree farmers
- › Forest operators
- › Road operators, timber transporters
- › Firewood traders
- › Apprenticeship (*employees in forestry training centres*)
- › Civil servants (*national and regional authorities*)
- › Forestry students

SIDE PROGRAMME

- › Event of the Trade Association of Service Providers
- › Carinthian Foresters' Day
- › Wood carving competitions
- › Presentations in the forestry category of timber sports
- › Presentation of workwear on stage
- › Get-Together of the Industry
- › International Mobile Chopping Path

OUR PARTNERS – JOINTLY ACHIEVING SUCCESS ON THE MARKET

- › Austrian Federal Ministry for Agriculture, Regions and Tourism
- › Austrian Chamber of Agriculture
- › Carinthian Chamber of Agriculture and Forestry
- › Austrian Economic Chamber
- › Vienna University of Natural Resources and Life Sciences
- › Ossiach Forest Training Institute

TREFFPUNKT JAGD

EXHIBITION SECTORS

- › Weapons
- › Apparel
- › Animal feed
- › Hunting accessories
- › Hunting associations

STRUCTURAL ENGINEERING WITH TIMBER & TIMBER PRODUCTS

EXHIBITION SECTORS

- › Timber construction systems, innovative assembly and joining techniques
- › Wood machining, trimming, hand-held tools
- › Wood products, timber materials, supply components
- › Insulating, sealing, sound proofing systems - Solutions and components
- › Dry walling & building services
- › Computer-aided organisation and management techniques
- › Timber architecture & timber associations
- › Training, research, teaching
- › Safety at the workplace, fire and accident prevention
- › Consulting, financing and insurance services

SIDE PROGRAMME

- › 4th Timber Structure Symposium Klagenfurt
- › International Timber Day
- › Get-Together of the Industry
- › Master Carpenter "Evening Pint"
- › European Carpenters Competition

VISITOR TARGET GROUPS

- › Master builders
- › Master carpenters, prefabricated houses producers, carpentry experts

HARVESTER & FORWARDER COMPETITION

THE FORWARDER & HARVESTER CONTEST IS A FIXED ITEM ON THE AGENDA OF THE INDUSTRY AND WILL ALSO BE ORGANISED IN 2022.

The Forwarder & Harvester Contest was very popular last year, with many contestants putting their skills to the test and proving their expertise. 2022 will see another round of the competition that is organised in cooperation with the Ossiach Forest Training Institute and the Austrian Association of Forest Entrepreneurs.
