At the INTERVINO Wine Fair, Kärntner Messen, in cooperation with the Kleine Zeitung, has created the "Intervino Wine Award". All exhibitors at INTERVINO can participate in the official wine awards and submit their wines. Around 30 winemakers and wineries from the Alps-Adriatic region submitted over 70 selected wine samples for this award last year. The award-winning wines will be exclusively presented, introduced, and tasted at INTERVINO under the professional guidance of the Carinthian Sommelier Association and the Carinthian Winegrowing Association.
